Education

Dakota State University

B.S. Cyber Operations, Minor in Network Security Administration, Honors Program

GPA: 3.73

Recipient of DSU Rising Scholarship and DSU Champion Scholarship.

Madison, SD

Aug 2024 – Dec 2027

Achievements & Competitions

HiveCTF

1st Place (DSU) / 4th Place Overall

Feb 2026

- Solved challenges across **OSINT, forensics, and steganography**, applying investigative techniques to extract hidden data, trace digital footprints, and analyze artifacts embedded in files and images.

SillyCTF

6th Place Overall

Apr 2026

- Competed in an open global competition organized by Penn State University, focusing on **OSINT and cryptography** challenges.

NCAE Cyber Games 2026

5th Place – Regionals

Feb 2026

- Defended a simulated corporate network against professional Red Team attackers by configuring and hardening **Nginx**, maintaining web server uptime throughout the competition.

Technical Projects

Terminal Quest

[github.com/evanbh256/terminal-quest](#)

Lead Developer (Ignite Hackathon)

Feb 2026

- Built a test based dungeon RPG where players learn **Linux CLI** by navigating rooms as directories and interacting with files as items.
- Integrated **Claude AI** via **Supabase Edge Functions** as a dynamic Dungeon Master for level generation, command tutoring, and adaptive quizzes.
- Tech Stack: **React, TypeScript, Vite, Tailwind CSS, Supabase Auth, and Framer Motion**.

HandAll

[github.com/evanbh256/HandAll](#)

Lead Frontend / Integration Developer (Nepal-US Hackathon)

Feb 2026

- Developed an AI-driven student time management application to automate task prioritization and scheduling.
- Implemented secure **OAuth 2.0 API key management** and enforced strict input validation for data synchronization between Google Calendar and iCal.
- Tech Stack: **React, Node.js, Google Calendar API, iCal, OAuth 2.0, and GitHub**.

Professional Experience

Residence Life - Dakota State University

Madison, SD

Resident Assistant

Aug 2025 – Present

- Enforce university residence policies including **FERPA compliance** for sensitive data management.
- Coordinate with campus security for emergency incident response and confidential reporting.

Sodexo / Starbucks - Dakota State University

Madison, SD

Student Service Worker

Dec 2024 – Present

- Maintain operational compliance and health standards in a high-volume campus environment.

Encore Media

Kathmandu, Nepal

Production Intern

Aug 2023 – Apr 2024

- Developed and maintained **10–15 client WordPress sites**, implementing plugin configurations and security hardening.
- Created high-engagement video assets using **Premiere Pro** and **After Effects**, totaling over **40,000 views**.
